cc: The Barony of Axemoor

Greetings Your Royal Majesties,

We compose this letter with a heavy heart, but feel that our time as Baron and Baroness of Axemoor, has come to an end and it is time for us to step down.

As per our baronial by laws, we are submitting this letter within the six month time frame for succession and with plenty of time for polling within the group.

It is our intention to step down at a yet un-named event in April 2009, followed by the Investiture of our successors at the same event. We will do everything we can to insure a smooth transition with little disruption in baronial matters.

We will be requesting letters of intent from the populace, with copies being sent to the Baronial seneschal and you as well. We will keep you abreast of any town meetings, should you wish to attend and participate as you desire.

A copy of this letter of intent will be sent to the editor of the Bayou Tapestry for publication per our baronial by laws.

It is our wish that you accept this letter of intent to step down. We ask this, knowing that it is being submitted with the confidence that a suitable replacement will be found.

It has been our honor to serve The Barony of Axemoor and the Kingdom of Gleann Abhann as royal liaisons. We have a truly remarkable group of individuals that comprise the populace of Axemoor who are always eager and willing to serve our great kingdom when and where possible. They made our efforts to promote the group so very easy.

We remain in faithful service and friendship,

*Ifor and Morgana
